Re: Conference Call

Dear Judge Lois Bloom

Please accept this letter as my request for a conference call on the matter. The call is to confirm the date which I must reply to the answer filed by New York City Law Department on March 29, 2022.

Please note that all parties have been served and New York City is the only party who has returned an answer and I will reply to the answer. However, the date to reply needs to be confirmed. The Pro Se Clinic directed me to contact your chamber.

Although the other parties may not attend the conference call, it is my duty to ensure that they are put on notice. Mr. Knabb already confirmed that he will answer to no Judge in any court of law and directed me to inform you that he is not liable for what he done while an employee at the Commission on Human Rights and referred me to various case law stating that his employer is liable for his actions.

I thank you in advance.

Regards,

Dianna Lysius

Ms. Lysius,

I have received reports from the Commission that you have been contacting former Commission employee Mr. Knab in connection with this matter. Mr. Knab no longer works for the Commission and is not a proper party to your Article 78 appeal. To the extent his participation in this appeal of the Commission's decision is required, he should be contacted only through the Law Department. Please refrain from contacting him further – if you feel there is some communication he must receive you should send it to me and I will ensure that it goes to the proper recipients. If you continue to harass Mr. Knab I will have to take this issue to the Court.

Thank you,

**Gavin Mackie**
